KG20 Recessed Top Mounted Closer - Single Action

Anti-ligature Disclaimer

Anti-ligature Disclaimer The anti-ligature design characteristics of this product are not intended to replace or substitute the need for necessary supervision of those who may be at risk, or for other necessary protective measures to be taken in the specific circumstances of usage. Kingsway Group, Inc. does not offer any products for sale as being 'ligature-free' and will not be liable for any claims arising from ligature attachment on its products. It is the customer's responsibility to ensure that products purchased and installed are suitable for the environments they are installed in.

Recessed top mounted closer that has adjustable closing and latching functions for double and single action doors up to 80kg and 1100mm wide. Fire rated for both 60 minute and 30 minute. Fully concealed when closed and allows opening of 120 degrees.

Installation Description

- Mark out the top of the door and the frame end for the closer to be fitted.
- Remove timber carefully and fix the closer in place.
- Adjust the closer to ensure correct latching and closing.

Operation and Maintenance

Operation

The recessed top closer has been designed for doors up to 1100mm wide and up to 80kg in weight with a maximum opening of 120 degrees.

Maintenance

It is largely a maintenance free product but frequent checks should be made to ensure that the cogs are well greased and that the latching and closing speeds are suitable.

Guarantee

10 Year Guarantee*

*For faulty manufacture and not for damage
