

# Auto Soap Dispenser - 1L Complete

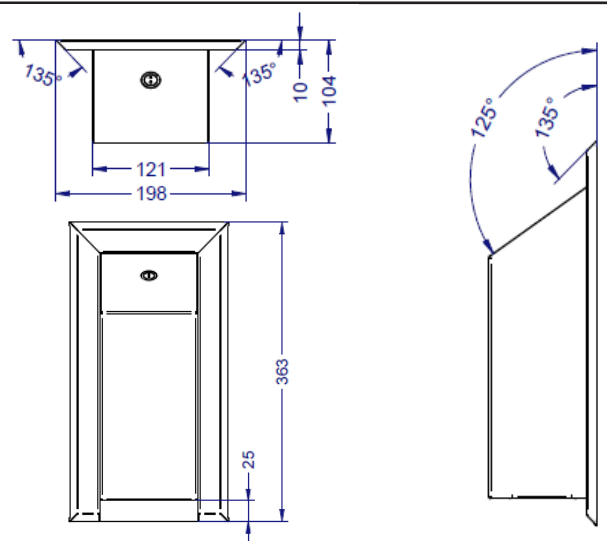

## Product Description

- Auto Foam Soap Dispenser with 1L capacity
- White soap dispenser works in conjunction with the blue wall plate to provide high contrast identification to aid recognition for individuals with dementia
- Designed to ensure no sharp corners or edges
- Manufactured from high grade stainless steel for robustness and durability
- Finished with an attractive powder coated finish for durability and strength of colour
- Also available in alternate colours (blue dispenser / white wall plate) to ensure contrast in all washroom decors.
